PART III / MASt PROJECT REPORT COVER SHEET AND DECLARATION

I declare that this project report represents work undertaken as part of the NST Part III Astrophysics / MASt Examination. It is the result of my own work and, includes nothing which was performed in collaboration. Any use of artificial intelligence has been acknowledged accordingly. No part of the report has been submitted for any degree, diploma or any other qualification at any other university. It's total length, excluding any coversheet and this declaration but including the Abstract, Figures, Tables, References and any Appendices, does not exceed 30 pages of 11pt single column typescript. I also declare that an electronic PDF file containing this work has been uploaded to the Part III/MASt Astrophysics Moodle site on this date.

If you are in any doubt as to whether you can sign such a declaration you should consult the Part III / MASt Course Coordinator before submitting your report.
